We understand that it is our responsibility to complete the necessary requirements listed on the Financial Aid section of the St. Andrew's Episcopal School website by the specified deadlines to be considered for financial aid. Failure to do so will jeopardize our child's ability to receive financial aid from St. Andrew's Episcopal School.

All parents – custodial and non-custodial, natural and stepparent – must submit completed information to School and Student Services (SSS) and to St. Andrew's Episcopal School. Failure to do so may result in the School not granting financial aid. It is the position of St. Andrew's that all parents retain the obligation to contribute to the education of their children, whether or not there is a legal agreement between them to do so. We expect each parent to contribute as much as our calculations show they can afford, even if a divorce settlement stipulates a different amount.
