Update to quarantine protocols

St. Andrew's has revised the COVID-19 required quarantine times as listed below:

- 10 day quarantine for Close Contact Exposure with a Negative result
- 14 day quarantine for all Positive cases from the test date
- If you are sick and are planning to get tested, we ask that you please keep your child(ren) home until you have received a negative result. This precaution will help minimize the potential spread within the School.
