

# HOW TO MEASURE SIZE CHARTS

## Girls Skirts

A+ garments are made for comfort and ease of movement. If you're not sure what size to order, take some measurements and use our size charts to find the right fit. For both boys and girls, we recommend measuring over the undergarments, not over other clothing. Wrap a tape measure comfortably around your body; don't make it too tight.

The fit and comfort of any garment will depend on personal preferences, so these size charts are simply a guide. If you have any questions about sizing please call your dedicated customer service representative at 800-227-3215. We'll be happy to answer your questions.

**Neck**  
Measure around the lower part of neck.

**Chest/Bust**  
Measure around the shoulder blades and the fullest part of your chest, keeping the arms comfortably at your sides.

**Waist**  
Measure around the natural waistline (for boys, just below the navel).

**Sleeve Length**  
Measure from the center of the back of the neck, over the top of the shoulder, and down to wrist. Keeping arms comfortably at sides.

**Inseam**  
Take this measurement from a nice-fitting pair of pants of a similar style. Measure the garment inseam from the crotch seam to the hem.
