Welcome to St Andrew's Cottage!

Our team is excited as we look to a new school year of playing and learning. Our year-round early learning program exists to offer quality learning experiences to young children and their families. The Cottage is designed to nurture the development of children in attendance and our goal is to fulfill his/her potential for intellectual, social and emotional functioning and to be prepared to succeed in school and in life.

At The Cottage we play a lot! Our play is messy, loud, and it is intentional. Our classrooms are set up to help children develop socially, emotionally, physically, and cognitively. Here at St. Andrew's Cottage we strive to educate the mind, body, and spirit in a small, nurturing environment that values faith, reason, and diversity.

Please complete and return the enclosed documents by June 9, 2023. Also include a copy of your child's current immunization records. All of the forms are required to be on file before your child joins us on August 10th.

We are working on updating our Parents Handbook at this time. When it is complete we will email you a link so that you may read it. Then sign and return the Acknowledgment Form.

Later in the summer, you will receive an invitation, by email, to sign up for a time on Meet the Teacher/Supply Drop off Day on August 9th. At that time, you can bring in your family photo and school supplies.

Checklist:

- ☒ Parent Handbook Acknowledgment Form
